EDUCATION AND TRAINING

"Educate and inform the whole mass of the people...They are the only sure reliance for the preservation of our liberty." Thomas Jefferson

WEBER COUNTY CONSERVATIVES

Our Mission Statement:

Build a robust Republican Party in Weber County by electing strong leadership willing to educate and train our Precinct officers, CCC and SCC representatives and County and State delegates as well as Weber County voters on the value of their participation in our caucus-convention system by strengthening and improving the caucus-convention process.

For too many years our Republican Party has encouraged volunteer participation in our caucus/convention system but has failed to adequately teach and educate those who attain elected positions of their roles and responsibilities.

Weber County Conservatives has developed this education & training opportunity for all of those interested in learning more about their roles and responsibilities in the Party while coming together under our Party platform to become more productive citizens.

A simple definition of the word liberty is “the state or condition of people who are able to act and speak freely.”

The right to associate freely is an inalienable right and a cherished American principle.

We associate as Republicans

- **Delegates** are tasked with vetting candidates for state and county Party leadership positions as well as candidates for elective office at the federal, state, and local level.

- **Precinct Chairs and Vice Chairs** are tasked with running elections at their caucuses as well as serving on the policy making body of the party, the County Central Committee.

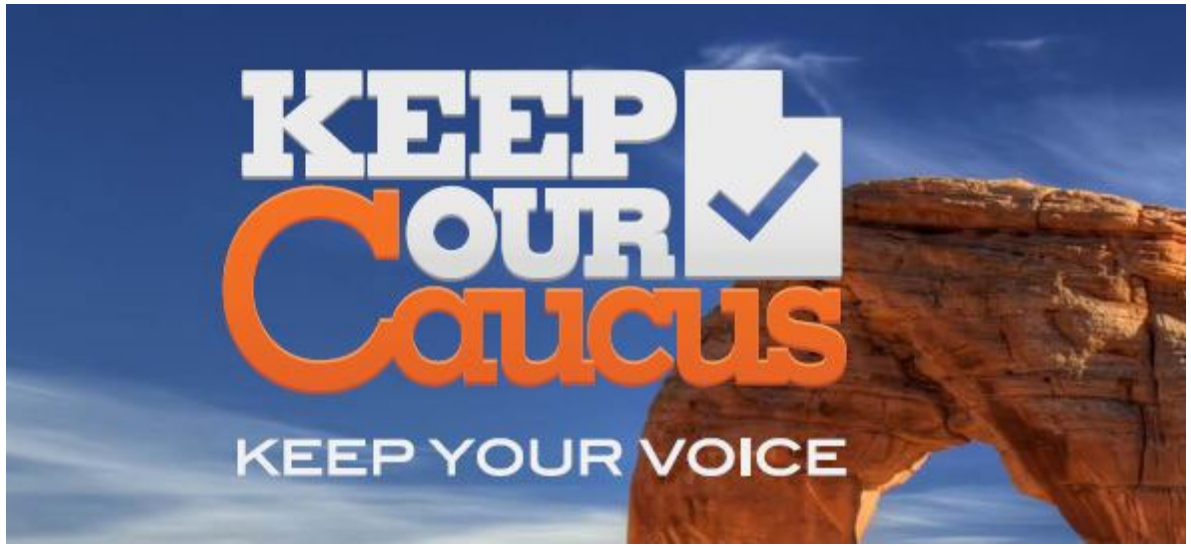
- **Legislative District Chairs** manage their districts and sit on the State Central Committee to determine policy for the state party.

All of these roles require a level of understanding in order to be effective, and that is where our training comes in.

By introducing the process along with roles and responsibilities, we hope to install faith and confidence in each elected member's effort to participate and through the process find our future leaders.

WEBER COUNTY REPUBLICAN PARTY
COUNTY CENTRAL COMMITTEE (CCC)

The CCC is made up of our elected County Precinct Chairs and Vice Chairs, all elected by their friends and neighbors at their respective caucuses.



Why are these elected positions so important?

Because they are most closely related to the grass roots membership of our Party.

We encourage this grass roots participation in the Caucus System and are committed to help willing volunteers understand their roles and responsibilities while assisting them in their duties.

PARLIAMENTARY PROCEDURE

According to our governing rules, “all business conducted by the CCC shall adhere to the rules of parliamentary procedure using Roberts Rules of Order.

Parliamentary procedure is designed to accomplish one thing at a time, bringing each to resolution before going on to the next, all the while seeing that courtesy is extended to everyone.

Roberts Rules of Order

General Henry M. Robert

- Parliamentary procedure was developed by General Henry M. Robert during the Civil War to bring order to officer meetings.
- The basic premise of Robert's Rules of Order is to protect each member's rights, while seeing that the majority rules.
